

OVALE BEACH ASSOCIATION: ORGANISER OF THE SOUTH BEACH RUGBY FIVE MARSEILLE SUPPORTING

Eric Dravet is a member of the board of directors of the Departmental Federation of Adapted Sports and director of the association POINT SUD, as well as the founder of South Beach Rugby Five Marseille. He is the successful host of the taster & initiation days to the practice of Rugby played on sand.

ASLAF, the Support Association for Fabrice's Autonomy which fights against Charcot's disease

The TCAP21 association, initiated by Katia Bergamelli, aims to accompany adolescents and young adults with Down's Syndrome in the realisation of their life project. TCAP21 helps them to acquire autonomy and the capacity for self-determination with a view to social and professional inclusion.

The Potes de Bedros association which works to promote blood donations

We have partnered with Secours Populaire to introduce young people in the network to the sport of Rugby played on sand.
